Analyst Pisut Ngamvijitvong Pisut.n@kasikornsecurities.com Assistant Analyst Phochara Lertwiram

1 February 2022 Kasikorn Securities Public Company Limited

Hotel operations to remain strong

- ► Expect DUSIT to report a 4Q21 core loss of Bt319mn, a lower loss compared to a loss of Bt430mn in 3Q21 and Bt432mn in 4Q20.
- Estimate 4Q21 RevPar of Bt1,708 comprising OCR of 50.2% (+7.5 ppt QoQ) and ADR of 3,402 (+44% QoQ).
- Reiterate our Outperform rating and TP of Bt13.87, and maintain our positive view of DUSIT given its higher OCR vs. its peer average.

Investment Highlights

- Expect a lower core loss QoQ in 4Q21. We expect DUSIT to report a 4Q21 core loss of Bt319mn, a lower loss compared to a loss of Bt430mn in 3Q21 and Bt432mn in 4Q20. We expect the lower loss QoQ and YoY will be due mainly to a strong recovery of both domestic overseas hotel operations but partly offset by a slow recovery of the education and food businesses.
- ▶ **RevPar to improve on strong OCR and ADR.** We estimate 4Q21 RevPar of Bt1,708, an increase of 70% QoQ and 63% YoY. We expect the occupancy rate (OCR) to come in at 50.2% comprising a domestic OCR of 38%, and expect an OCR of 85% for hotels in the Philippines and 83% for hotels in the Maldives. We expect a 4Q21 average daily rate (ADR) of 3,402, an increase of 44% QoQ and 26% YoY, due to strong operating performances of every regions.
- ► Expect a higher loss in 1Q22. We expect DUSIT to report a higher loss in 1Q22 due to the negative impact of the Omicron outbreak, which should result in a lower OCR for domestic hotels. We expect higher food revenue to partly offset lower hotel revenue during the period. Note that we expect hotels in the Maldives to maintain a strong performance in 1Q22 as it suffered a less severe impact from the COVID-19 pandemic.
- Dusit Central Park expected to launch in 2H23. The company expects to reopen the Dusit Thani Bangkok along with retail & office space in 4Q23, while the residential project is expected to be completed in 2024 and 2025, respectively. Note that our assumption is for the Dusit Thani Bangkok to reopen in the beginning of 2024.

Valuation and Recommendation

- ▶ We reiterate our Outperform rating on DUSIT and target price of Bt13.87. We maintain our positive view of DUSIT given that its domestic OCR is higher than its peer average, while overseas operations in both the Maldives and Philippines perform well. We also expect a recovery of the education and food businesses in 1Q21, which should partly offset lower hotel revenue.
- ► Our end-202 target price of Bt13.87 is derived from the SOPT methodology. We use the EV/EBITDA approach to value DUSIT's core business (Bt8.22) and thus apply an EV/EBITDA of 12.72x, which is 1SD below the average five-year Bloomberg consensus 12-month forward EV/EBITDA of its Asian peers. We value the Dusit Central Park project at Bt5.65 based on the NAV methodology.
